

IAMFA Benchmarking Sponsorship

The IAMFA (International Association of Museum Facility Administrators) Benchmarking Program provides your company with direct contact to FM administrators of over 50 museums, libraries and other cultural institutions from across the globe. This is your opportunity to network with potential customers - all brought together in one location - and show your support of cultural institutions.

Benchmarking sponsorships are available at three different levels -- Gold and Silver and Bronze. Your annual sponsorship will run for twelve full months and you have the opportunity to attend the annual benchmarking workshop review that occurs on Sunday before the IAMFA conference. All costs are \$US.

Benchmarking Sponsorship Features	Bronze \$750	Silver \$1,500	Gold \$2,500
