Provide Paper Towels	9
Provide Electric Dryers	0
Provide both Paper Towels and Electric Dryers	5
No standard - varies by project	2

	Yes	No
Do you retrofit restrooms in addition to applying this to new/renovated ones?	8	8
Do you treat industrial or crew areas differently than office space?	3	14

Comments

Currently evaluating the use of paper towels vs. electric hand dryers
 Due to the fact that we still have actual doors leading in and out of restrooms we elect to have paper towels. Employees like to use a paper towel when leaving the restroom. Electric units would not allow this option.
